## Principle of Using Vitamin C

The shower filter contains gel type of natural vitamin C that removes residual chlorine and then change it to Vitamin water as an eco-friendly antichlor.

**Natural  
Vitamin C  
Water  
shower**

**Domestic  
Patent /  
US FDA  
Registration**

**Removal of  
residual  
chlorine from  
tap water**

**Aromatherapy  
effect**

### Connecting to Faucet

1. Separate a shower hose from the faucet.

2. Install the shower filter under the faucet.

3. Connect the shower hose to the filter.

### Connecting to Shower Head

1. Unscrew the shower head and separate the hose.

2. Install the filter to the shower head.

3. Screw the shower head to the filter.
